Skills Canada — Ontario Design Contest Scope — Please read carefully!

ELIGIBILITY:

Students from affiliated high schools and colleges are eligible to participate. If your school is not affiliated, a form is available from Skills Canada – Ontario upon request, or on our website at www.skillsontario.com.

SPECIFICATIONS — MEDAL DESIGN:

- Designs for the medal must be submitted in black and white on 8 ½" x 11" paper. Designs may be created by hand or on computer. The design must be shown in **actual size**, the maximum size being 3" x 3".
- Medal is two-sided. Both the front and the back design of the medal must be shown. No colours will be added; only the colour of the medal material will be used (bronze, silver, gold).
- The design must incorporate: 1) the year of the competition (2011); 2) the words "Ontario Technological Skills Competition; 3) the words "SKILLS WORK!®" and 4) the words "Skills Canada – Ontario." Designs may also feature the acronym "OTSC."

SPECIFICATIONS — PIN DESIGN:

- Designs for lapel pin may be created by hand or on computer. Designs must be submitted in full colour on 8½" x 11" paper. A 1" x 1" design must also be provided, as the design must be such that it can easily be reduced to a 1" x 1" maximum size pin.
- The design may be a maximum of 3 colours. Black and white are considered colours, if you choose to use them. The metal pin material is not considered one of the three colours, but will appear at the edge of your design.
- Designs must incorporate the year of the competition (2011).
- The acronym "OTSC" must be included.

GENERAL RULES:

- **All entries must be identified with the student's name, school, teacher/advisor, course, grade, complete home mailing address and home phone number**.
- Please do not submit a pin and a medal design on the same page; use separate pages if you are interested in entering both contests.
- All submissions become the property of Skills Canada — Ontario and will not be returned. Skills Canada — Ontario has the right to reproduce the design, or modify it, in any media and in whatever quantity we choose. The winning design or facsimile thereof will be reproduced as the official medal awarded to competitors at the 2011 Ontario Technological Skills Competition and may also be displayed during the dates of the competition: May 2nd — 4th, 2011 at RIM Park, Waterloo.
- Please note: Skills Canada — Ontario is a not-for-profit organization and not a government office. Although trillium and maple leaf designs may be used, they are not expected or required.
- This is an individual event. No teams please!
