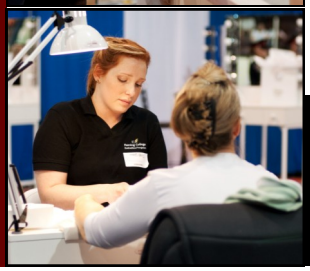
The Ontario Technological Skills Competition MAY 2 — 4, 2011 at RIM Park

1800 Competitors | **63 Contest Areas** | **30,000 Visitors**



High School and Post-Secondary students vie for medals in skilled trades and technology contests

Come out and take in this one-of-a-kind spectacle! Students from across the province will be demonstrating their skills at the OTSC in a wide variety of intricate contests. This competition is the largest of its kind in Canada and covers every square foot of the RIM Park/Manulife Financial Sportsplex in Waterloo, Ontario.

- **Monday, May 2: OTSC Elementary Day.** Challenges for Grades 4 —8; 36 hands-on workshops; some post-secondary contests start today
- **Tuesday, May 3 OTSC**: 63 contests will be underway as 1800 student competitors vie for top place in their specialty
- **Both days: Young Women's Conferences** at the Holiday Inn Kitchener, pairing senior elementary girls (May 2) and high school girls (May 3) with female mentors working in the skilled trades and technologies
- **Both days: Career Exploration Showcase:** Over 60 Exhibitors from education, government and industry offer interactive booths where young people can check out some of the 150 career options in skilled trades and technologies
- **Wednesday, May 4: Closing Ceremony at the Waterloo Memorial Recreation Complex.** Medal presentations and scholarship awards

Open 9:00 am - 3:30 pm · Daily · Free Admission

Media, please proceed to Info Table "A" for orientation. Note: Photo release waivers have been signed by competitors.*
