Skills Work!® What's Out There In the Skilled Trades and Technologies?

In-School Presentation

Careers in the skilled trades and technologies offer many rewards. Job satisfaction and good pay are just a couple of them.

This presentation helps students in grades 7-12 explore the realities of today's job market, the four educational pathways, and specific careers within the Energy, Construction, Service, Manufacturing, Transportation and Technology sectors.

We are also proud to offer presentations specifically geared towards Aboriginal audiences.

Request a presentation for your school online at
