Skills Canada—Ontario is pleased to offer our updated “Skills Work!® What’s Out There?” program for grades 7 and 8 students. Highlighting dozens of career opportunities in the skilled trades and technologies, this presentation inspires and engages students with interactive dialogue, eye-opening statistics, a quiz challenge, and video clips of Ontario youth sharing their experience of working in the skilled trades and technologies.

Presentation topics include:

- ◆ Trends in the world of work and the demand for skilled people
- ◆ Benefits of careers in the skilled trades and technologies
- ◆ Steps to apprenticeship
- ◆ Opportunities to acquire skills and experiences in grades 7 and 8
- ◆ Resources for further exploration
- ◆ Accompanying guidebook for teachers

Frequently Asked Questions:

Is my school eligible to receive this service?

Skills Work!® is a benefit of affiliation. If your school is not affiliated but would like a presentation and access to all of our programs, competitions and events, contact us today to affiliate for only \$110! (Even Less with a group affiliation).

What resources does my school need to provide for the presentation?

In order to accommodate the maximum number of students, presentations can be held in a classroom, your school's library, gymnasium or auditorium as long as the lights can be dimmed.
Please provide a table and screen (and a microphone if a large venue).
