Secondary Cardboard Boat Race Guidelines 2011 - 2012

Skills Canada – Ontario would like to invite your school to participate in one of the annual Cardboard Boat Races for high schools being held during the 2011-2012 school year at the following locations:

- Tuesday, November 29, 2011 H.B. Beal Secondary School, London
- Tuesday, November 29, 2011 Confederation High School, Ottawa*
- Tuesday, November 29, 2011 Bendale BTI, Toronto
- Tuesday, November 29, 2011 Espanola High School, Espanola*
- Tuesday, November 29, 2011 Black River Public School, Sutton
- Tuesday, November 29, 2011 Sir Winston Churchill CVI, Thunder Bay

*Denotes a bi-lingual event

The registration fee is \$80.00 per team for affiliated schools.

CHALLENGE OVERVIEW:

Teams of four students from the same school will design and construct 1 (one) boat to participate **in both** a speed and a weight challenge in a pool. Students will be given the materials to construct the boat and 2 (two) hours of building time. We strongly encourage all teams to build and test sample boats prior to the event. Drawings of boat designs will be submitted for judging.

Teams will be judged on planning and design, quality of construction, visual appeal, teamwork and team spirit, knowledge of skilled trades, safety and cleanliness as well as the boat's speed and weight capacity. Each speed and weight challenge will be timed and recorded by our judges.

The top three teams from each regional race will be invited to participate in a Provincial Championship!

TEACHERS:

Teachers (advisors) are not to provide any advice to their students on the day of the event except to advise them of safety concerns.

ELIGIBILITY:

- Affiliated secondary schools may enter up to two (2) teams of four (4) students each.
- Please note registration is on a first-come, first-served basis and waiting lists often occur.
- Teams must be made up of students from the same school.

REGISTRATION PROCESS:

- Step #1 – Teachers reserve team space(s) online at <https://register.skillsontario.com>. This must be done a minimum of **two (2) weeks** prior to the event.
- Step #2 – Teachers or students register team members by name online a minimum **one (1) week** prior to the event.
- Step #3 – Fax individual team member signed consent forms to (519) 749-6322 at least **one (1) week** prior to the event.

Secondary Cardboard Boat Race Guidelines 2011 - 2012

****NOTE:** Registration will not be considered complete until Skills Canada – Ontario receives a completed and signed copy of “SKILLS CANADA – ONTARIO PARTICIPANT CONDITIONS FOR 2011-12 PROGRAMS AND COMPETITIONS” form for each individual team member. **Students will not be permitted to participate if their form has not been received.**

Cancellations must be received no later than one week prior to the event to avoid being charged full registration fees.

All invoicing will be processed following the competition.

Tools and Materials:

Supplied by Skills Canada – Ontario:

1. Two 4' x 8' sheets of ¼" corrugated cardboard

4. Two pairs of vinyl gloves
5. An adhesive sheet with specified boat number
6. Lunch
7. PFD/life jackets

Supplied by teams:

1. Straight or angled edges/rulers of any length or size
2. Tape measures, a compass and/or protractor
3. Cutting devices
4. Pencils/pens/markers
5. Paint Brush and/or mini roller with tray to apply contact cement
6. Decorations to enhance the appearance*
7. Suitable attire to race in pool
8. Boat design sketch (two copies)
9. **NEW!** Safety glasses for all team members

(Note: No other tools or equipment may be used in the construction of the boat. No hammering devices allowed. Electrical power will not be available at any time.)(see construction regulation #5)*

CONSTRUCTION RULES AND REGULATIONS

1. Each team must bring **TWO COPIES** of their boat design sketch. One copy is to be submitted for evaluation at the time of arrival and registration. The second copy can be used by the team during construction.
2. Boats must be designed to allow team members to be **fully contained** within the structure of the boat. Rafts or surfboard styles will not be permitted.
3. Any devices used to propel the boat in the water must be constructed from materials provided.

Secondary Cardboard Boat Race Guidelines 2011 - 2012

4. Contact cement must be used as a **bonding agent only** (i.e. contact cement may only be applied if it is to be sandwiched between materials such as cardboard or tape). Internal and external walls (sides, hull, floor) of boat must be free of exposed contact cement.
5. Teams are permitted to bring materials with which to decorate their boat. Decorations must not aid in the speed or buoyancy of the boat. Lacquers, waxes (i.e. crayons), latex/water-based paints and spray paints are not permitted for decoration. The use of aerosol cans, confetti and glitter is strictly prohibited. Teams will be asked to remove all water soluble decorations after “Visual Appeal Judging” and before entering the water (i.e. during lunch time)
6. Teams are not permitted to use aids such as a prototype, to-scale patterns or prefabricated materials for tracing purposes at the event.
7. **NEW!** All team members must wear safety glasses while working with contact cement.
8. All team members will be weighed during the construction phase and will have to advise Skills Canada – Ontario staff which team members are going to participate in the first round of the weight challenge. This is known as the **Declared Weight** and must be finalized in the construction phase. *Please review the Frequently Asked Questions for a more thorough description of “declared weight”.*
9. An adhesive sheet with specified team number must be attached in a **visible** location on the boat.
10. Teams must write five Skilled Trade Careers on their boat that use the skills they are practicing in the Cardboard Boat Race. For a list of skilled trade careers please visit www.apprenticesearch.com and/or www.careersintrades.ca/youth

RACE RULES AND REGULATIONS

1. Shoes will not be permitted on the pool deck.
2. Boats will race in timed heats of 2 or 3 boats.
3. All team members racing must wear the PFDs/life jackets provided.
4. At the team’s discretion, one or two team members may race the boat.
5. Only kneeling or sitting in the boat will be permitted during the speed and weight challenges.
6. Teams will be given three commands:
 - a. “Racers Ready” teams will make eye contact with the starter
 - b. “Boats in the water” teams will immediately lower their boats into the water
 - c. “Racers in the boat” teams will have up to 30 seconds to climb into their boats and position the boat.After 30 seconds or when all teams in the heat are ready (whichever comes first) a whistle will blow signaling the start of the timed race.
7. Up to three team members on the pool deck are allowed to steady and hold the boat for the start of the race. Teachers may not assist.
8. If team members on the deck push the boat at the start or allow the boat to drift away from the edge a 5 seconds penalty will be added to the time.
9. Time will stop once any part of the boat touches the other end of the pool.
10. Only the racers’ hands, along with devices constructed of provided materials, may be used to propel the boat.

Secondary Cardboard Boat Race Guidelines 2011 - 2012

11. Team members must enter and exit the boat from the ends of the pool – not the sides of the pool deck (this will help ensure that teams designated to the middle lane are not at a disadvantage).

TRANSITION BETWEEN RACE AND WEIGHT CHALLENGE

1. All intact boats must proceed to the weight challenge immediately following their race heat.
2. After the speed challenge teams will be allowed to remove the boats from the pool to pour out excess water; the boat must then be immediately placed back in the pool for the weight challenge.
3. Boats that are unable to complete the speed challenge due to tipping may compete in the weight challenge. Boats must be dragged, through the water, to the pool end to ensure fairness.
4. Boats deemed unsafe by a lifeguard will not be permitted to enter the weight challenge.
5. Drying tools (paper towels, hair dryers, towels and fans) will not be permitted.

WEIGHT CHALLENGE RULES AND REGULATIONS

1. Weight will be determined by the combined body weight of the individuals in the boat. Additional weight-bearing objects (hand weights, weighted belts, dumbbells) will not be permitted.
2. Individuals must be fully contained within the structure of the boat. Teams may use their hands to hold the boat edge, but will not be permitted to touch the water outside of the boat or the ledges of the pool, except when asked to help reposition the boat at a judge's or lifeguard's request.
3. Feet and legs must be contained within the boat. Only kneeling or sitting in the boat will be permitted. Competitors may NOT lie down.
4. Participants may be required to wear PFDs/ lifejackets at the lifeguard's discretion during the weight challenge.
5. Boats must begin the weight challenge with the weight they declared during the construction phase. (i.e. those individuals elected by their team to go into the boat first)
6. Boats must hold declared weight for 90 seconds without "sinking" in order to score any points. Teams touching the water outside of the boat, buoys or the ledges of the pool during the timed portion of the weight challenge will have their time paused or reset.
7. Additional individuals may be added to boats after 90 seconds have passed. **NEW** Each new weight must be held for an additional **60** seconds.
8. The final weight held for the full time will be recorded as the maximum weight achieved for the team.
9. All team members¹ must be used in the weight challenge before student or teacher volunteers are added.

¹ Unless there is a valid medical or health and safety issue that precludes all team members from participating and Skills Canada – Ontario staff have been made aware of the situation.

PHOTO WAIVERS

Camera crews and media will be onsite at the race taking footage and photos of the event. Students who do not have their parent's/guardian's permission to be photographed will be asked to wear a wrist band. The water proof wrist band will help ensure students without a signed photograph waiver won't appear in publications or get posted on social media and/or our website.

QUESTIONS

If you have any further questions please consult the Cardboard Boat Race Frequently Asked Questions document published on our website www.skillsontario.com or contact Emily Waldron, Cardboard Boat Race Coordinator at 1-888-228-5446 extension 221 or by email at emilyw@skillcanada.com.

INCLEMENT WEATHER

Cardboard Boat Races will be cancelled only under the following conditions:

- The School Board(s) where the event is being hosted have "Closed" for the day.
- And/or critical staff cannot safely travel to the hosting location

The event will continue as planned if 'buses are cancelled'.

If the boat race must be cancelled due to weather conditions, Skills Canada – Ontario will make every reasonable attempt to reschedule within the same school year.

Unfortunately no refunds can be made to participant fees in the event of a last minute cancellation due to weather conditions.
