- Winner (Age Group 3-8) — \$25 Amazon e-gift card
- Winner (Age Group 9-13) — \$25 Amazon e-gift card
- Winner (Age Group 14-19) — \$25 Amazon e-gift card

How to Enter —Participants will need to build a rollercoaster system that keeps a gumball or spherical candy in motion for more than five seconds without letting it touch the floor!

- Take a video of your Roller Coaster in action and post to **Twitter**. Be sure to tag **@SkillsOntario** and include the hashtags **#SkillsAtHome** AND **#SpooktacularCoaster** to qualify! Remember to include your age in your post as we will award a prize in each age category!

Equipment/Materials:

<ul style="list-style-type: none"> Paper (newsprint, printer, construction, etc.) Tape (masking, duct, scotch, etc.) Empty paper towel, toilet or gift wrap rolls Tin foil Cardboard 	<ul style="list-style-type: none"> Pool noodles Empty plastic containers Scissors Glue Device with internet access for posting your creation to Twitter!
---	---

Note: You can use everyday household items to build the rollercoaster track! Get creative! You can incorporate household furniture, such as couches, chairs and tables, stairs, etc. The possibilities are endless!

Health & Safety —Always get parent permission/supervision when using sharp objects like scissors or things like glue guns. Use caution if incorporating stairs into your design.

Skills: Planning and Design, Creativity, Organization, Fine-Motor
