

Winterfest 2021—Independent Activity

# Create Your Own Snowball Chute

Get ready for winter by creating your very own 'snowball chute'. Use design and construction skills to make an obstacle course! The goal is to get the snowballs (mini-marshmallows) to drop into a mug of hot chocolate, with as many twists and turns as you can!

Share your creation between December 1st to January 31st! Tag **@SkillsOntario** on Facebook, Twitter, or Instagram and use the hashtag **#SkillsWinterfest2021** for a chance to win a prize pack!
