

Skills Ontario Tools For Success Workshops

This is a series of in-person events hosted across the province to educate underrepresented people on use of tools, skilled trade & technology careers and in-demand careers specifically in the construction sector. Events will be hosted during July and August and will be workshop style lasting 2-2.5 hours. Each event/workshop will reach 10 participants aged 18-30. Skills Ontario DE&I initiatives aim to outreach to (but not limited to); youth at risk, youth living in poverty, Indigenous youth, Black youth, people of colour, newcomers, or youth with exceptionalities.

Please note that registration is limited to participants affiliated with the host location. If you have any questions or would like to register, connect with Ashley at apszeniczny@skillsontario.com.
