

# 2025 SKILLS ONTARIO COMPETITION PASSPORT ACTIVITY

## Answer the following on the back of this paper:

1. The Skills Ontario Competition is packed with discoveries to be made by avid explorers! Explore Canada's largest skilled trades and technology competition to uncover startling details: How many different contests take place over the main two days?
2. Join a Career Conversation at the Ontario Career Lab in the HIEC-ApprenticeSearch.com Booth! Name a career that you found out may be a perfect match for you!
3. After exploring a career through Edge Factor's LaunchPoint VR experience, name the career you chose and describe one tool or skill used in that trade.
4. What does Linamar Manufacture?
5. What are 2 red seal trades that you can receive training in, from UA Canada ?
6. What are three examples of skilled trades positions typically available at Magna facilities in Ontario?
7. What are the three different Milwaukee battery platforms?
8. Find Humber Polytechnic's booth and name three awesome skilled trades and technologies careers that you found out you could study!
9. Name the specific type of flying vehicle at Centennial College's booth.
10. Can you find RBC's amazing booth? Name a career in the skilled trades and technologies that would be involved in creating and/or maintaining their special booth.
11. What are the 5 sectors of the Skilled Trades and Technologies? Identify 2 Skills Ontario contests in each area.
12. What does WSIB stand for?
13. Look around! Skilled Trades and Technologies build and maintain our world. Search for the reasons why these jobs matter so much. Describe *one significant way* these professionals impact our lives.
