BUILDING ON THE NORTH:

Construction Trades During the Pandemic

The Successes and Struggles Faced By the Construction Trades During the Pandemic: A Web Event

Skills Ontario and the North Superior Workforce Planning Board are co-hosting a web event on February 23rd to speak about skilled trades and apprenticeships during the pandemic. [Register here](#) and join us for this informative online session. This webinar will include information on the successes and struggles faced in the Northwestern Ontario during the pandemic.

Our Panel of speakers will include: Harold Lindstrom from the Thunder Bay Construction Association, John Degiacomo from Anishinabek Employment and Training Services, and Bruce Kruger from the Carpenters Union Local 1669. The North Superior Workforce Planning Board will discuss demand shifts and growth within skilled trades and Skills Ontario will highlight some innovative ways younger people are being engaged.

Date and Time

Tuesday, February 23, 2021
10:00AM – 11:30AM
