

# CARDBOARD BOAT RACES CALL FOR VOLUNTEER JUDGES

## EVENT DESCRIPTION:

Elementary (Grades 7&8) and Secondary Students test their math and technology skills in a fun and competitive environment! In teams of 4, students will design and construct a boat made out of only cardboard and duct tape! Students will test their boats in both race & weight challenges.

## VOLUNTEER AS A JUDGE:

Skills Ontario relies on a team of volunteers at each race location in order to judge the students boat designs on a number of criteria. Judges will also act as timing officials during the race and weight challenge. No experience necessary.

## LOCATIONS:

Thunder Bay, Dryden, Espanola, Sault Ste. Marie, Ottawa, Belleville, Toronto, Markham, Brantford, Guelph, Wingham, London
