10. Are you using equipment safely?	☐ Yes ☐ No

Final Cardboard Car Project Drawing

Draw and label your final design below.

A large grid of small squares, intended for drawing a cardboard car design. The grid consists of 30 columns and 30 rows of small squares, providing a structured space for the student to draw and label their final design.

Cardboard Car Project Photo

Include one photo of your final project. The photo must clearly show the project..
