

Skills Ontario Workplace Safety – Hazard Identification Challenge

Activity 3: (60 minutes)

Please time yourself or have a teacher or assistant time you!

Your job is to find as many hazards as you can in each scene provided.

TASK: Find the hazards in a virtual workplace (60 mins – 4 hazard scenes, 15 mins per scene)

Please submit your answers to the Skills Ontario dropbox link provided in your contest scope. You will also be submitting your Workplace safety presentation and your certificate of completion from the online safety quiz.

If you have any question email:
